What is our “Soul”...!?

The **Human Soul** is thought of as having *a non-material emotive awareness and-or thinking existence*, i.e., *“the identity, personae, and memories of a person...”* but also *somewhat characteristic of living apart from ‘the individual’*—in part—in *the hearts and minds of others* and *capable of surviving death* in form of *myth* and *legend*, *song* and *story*, and most especially being remembered and dreamt of by ‘beloved ones.’ Otherwise, we should not pursue concerns of *“a Buddhist non-existent self,”* or *“anatman,”* nor dwell on any *dissatisfaction* with *suffering in life...* and its *impermanence...*

Think ye be free and not a slave...

We be but brute beasts of burden—both, the chattel and the currency of the rich and powerful

Doctrine of Buddha-Nature doth not deny but reaffirms the role of *astrology* and Sacred Geometry as found in the *thoughts* and *imagination of our prehistoric forefathers*; yet it is foreign to us fæye folk, no matter thereto where-of any similarities with **Flavian Christianity** nor its relative **Fabian End-Times Dilemma** enveloping the tyrannical despotism of the **Aristocratic Satanic Technocracy** and its **mercantile Police State world-gulag**, from which *“only death is an escape”*; for, indeed, *“we are not the ‘government’ but its chattel property”*—we be but *‘slaves breeding slaves’* of-for *fiat-interest bankers farming a Third World replacement population* viz. ignorant, more-easily-controlled *beasts of burden* [] *tares seeded amongst us poor ignoramuses* hereby reduced to fodder by-and-for those **God-damned “strange” war-whore Nosferatuan reptiles** which *“own us” all... our most certain doom!*

Gen. 30.31: “What shall I give thee?” (i.e., “What do you want...?)

Nowhere to run... and nowhere to hide...—expect neither mercy nor forgiveness from those demons

Traducianist Adam (cf. H. heidelbergensis), as with the **kabalistic Adam Kadmon** (“Primordial Man”)—*a prototype of the perfect man as created by God and untainted by earthly matter*, was no individual man created by **God Almighty**; but, rather, the **Spirit of Man** was born of the **European Daughters of Solutrean Eve** through which the **Spirit of God**, **Iness Iself**, manifest in the *“hearts”* and *“minds”* of those *last Lithonic peoples* to have practical knowledge of the **Atlantean Land-bridge**, *now under the Mediterranean Sea* since the **Deluge**: our ancestors thence knew of the *‘swastika’ of the polar star in its relation to the seven stars of Ursa Major (“Big Dipper”), the triad of moon-goddesses, the planets, and the “star-child” (“the Sun”)—inherent knowledge born at heart of paleolithic barbarism.*

Gen 5:2 Male and female created he them; and blessed them; and called their name Adam, in the day when they were created.

We are alive only because of God’s *on-going causation of human existence*—as we did not create ourselves but were produced by parents in an *ever-evolving Nature*: (Nature being a product of God’s Creation and not an *abiogenetic ‘spatial meat-body’* of-or-for God! We are pre-existent only in the sense that **Iness Iself** be *“outside of space-time and any other definition”*—and, as said, we ‘male’ and ‘female’ (disinclusive of *monstrous hermaphrodites*, such as *Abraxas*, *Agdistis*, *Pergamon Atlantiades*, or *Bamophet*) are *un-naturally-created as allotriomorphic of God’s idiomorphic perfection*; hence, *“soul creation” is manifest in the fetus* *insomuch as ‘it’ acquires consciousness to self-identify as ‘a living person’ separate and being apart from ‘its mother’ albeit living within her womb...*

tota in toto corpore
the soul is ‘all in the whole body’ as ‘all in any part of it’

The **Ancient Egyptians** believed *that* the **Khat** (temporal *“flesh-body”*) is only *“a vessel” inhabited by “the rest of the soul”* and its corresponding *“mind”*—or **Akh / Ikhu** (*“immortal self”*), i.e. the *‘emotions’* and *‘intellect’* as is *a person’s Free Will to Power* viz. the *driving force* and *motivated inertia* behind accomplishing *one’s intentions*, and *“source of pranaic dreams”*... which couldst *plausibly* intuitively reconnect us with our ‘beloved ones’—*infer through intuition and precognition*, as in *“visions”*—*both: those manifest in our remembered past* (i.e., *“dead spirits”*) and even *thaim “unborn” yet to live ‘potential personalities’* stored within **Akashic Records**—these having *potential to influence the present “spiritual” being* as of *a different source of energetic intellect*, its’ *dreams* and *ideas*, the *emotive and associated physical “feelings” of individuals at unconscious depths of primal depravity*, yet capable of *ascension unto an nirvanaic zenith of emptiness (at center of existence)* out of which—as within the **River Lethe** *“all that becomes so becomes,”* being either-or-both as in *womb* and-or *in grave*: Strothe! trod us upon ‘our own graves’ as we live in *the “un-Godly” hell we tolerate exist.”*

Just as many people yet believe *that* the *“heart”* (*“Ib”* or *“Jb”*) *is the source of emotion—and “the center of thought, free will to empower, and debility of intention”*—so too didst the **Ancient Ones**, whom more-so believed that **Ma’at** weighed a person’s heart against *“the Ostrich-feather of Truth”* during *“recital of the 42 Negative Commandments”* by the **Dead Soul...—*a story which the God-damned Jews perverted in their demonic Mishnah Torah and its Twin Talmuds*, whereof therein it is said and commonly purported that *our Lord’s mother was a whore*—rightly so, too, for the *pedophiliac swine of the Pharisaic priesthood*—as always and ever since *Eve—prostituted their daughters together as “Temple Prostitutes”* (cf. *Tamar daughter of the Canaanite merchant goddess Bath-Shuah; Miriam the Chantress sister of the Dead Prince Tutmose—her whom wast hanged on a stick in the desert, or even Merovingian Magdalene*) [] *the Synagogue of Satan* further stating that *“Christ Messiah Iself is boiling in a cauldron of shit within Hellfire.”* So be it, eh! Even now us continue to prostrate and willingly worship the *devilish goat Mendes at the international banker’s usurious alter* to-of **Moloch the Golden Calf...** fore-so us be self-given over to *“Gallic fervour”* and *orgiastic fury* amidst the *doppelgänger Asherah poles of ‘commercialism’ and ‘communism’* in accordance to **Talmudic Babylonism** as we *goyische kopf* be daily ever-more-and-more-so enslaved by *a self-proclaimed a’Brahmāic “Master Race” (“Chosen People”)* and, as such, being born into eternal slavery [] we are so *sacrificed and made to sacrifice both ourselves and our progeny to an infidel “Ba’al-ilāh Yahweh.”***

NB: After death, we so judge us—*alone*—ourselves, upon the weigh scales of Ma’at:

“Those ‘hearts’ which failed [] fell off the weigh-scales into the **Lake of Fire** (cf., Hades / Hell, and inferring remoteness from ‘God’)—*“emptiness,”* wherein existed **Ammit the Devourer—a hungry monster that devoured Lost Souls at the end of their time...**

A person’s **Ba** was given form of *“a human-headed bird”* [] and enabled the *“soul”* to *Hermetically move betwixt mortal multi-dimensional realms of ‘living space-and-time’ and able to communicate* with the so-called *‘unreal’ or ‘nonexistent’* Immortal Spirit Realm of *“heaven within...”*—as returneth our **Ba** less-and-less often unto *“the living”* throughout the *“illusive” passage of time ‘after death’* so as to revisit ‘beloved ones’ in *thoughts, memories, and dreams...* almost as if we were yet alive (and *‘breathing’*)... maintaining a link tethering the *“human soul”* to the *“collective unconscious” of ‘hive-mind humanity’* and remnant in persistence of ‘conscious being’ upon **Earth in the Ever-Changing Present Time of Now-Here Reality.**

The **Ka** is what truly distinguishes us as being *“alive”*—as is our *mammalian human body* sustained through *eating and drinking, in a “dendritic” process of consumption of matter and changing it into energy (“pranaic breath”) to animate the flesh (“khat”),* which houses both *“mind”* and *“soul”*—*supra*. The **Ancient Egyptians**, though, wrongly believed that *“preservation of the human body”* viz. *“mummification” was essential to “a continued ‘afterlife existence’ of the dead person”*: Doth naught *‘a seed’* so becometh yet *‘a plant’* that *produces more seed...* so what of it (i.e., *‘the seed’*), eh! Yet, upon **Death of the Khat** (physical body) *“a mortal soul”* is freed from its *fleshapoid existence*—and, if Ma’at deemeth ye worthy enough to enter into the *Afterlife, as all Waelkryie-chosen warriors of Valhalla*, yine personal **Ba** and **Ka** unite as *two halves made whole* (if correct funerary rites were held in honour of the dead person—accordingly—death be not proud to visit rich and poor alike), thus forming the **Akh** or **Ikhu**, which supposedly *“lives amongst the stars in the immanent heavens”* as with the *godlings* and-or any *ancient alien hominids... such as paleolithic goddess figures, whether-or-not Canarianian, Feline, or Serpentine... or as blue-skinned Rig-Vedic charioteers-of-fire.**

The **Ancient Egyptians** further believed that the **Sahu**, or *judgmental “spiritual body”* (e.g., *“intuition and dreams”*), is a further aspect of the **Akh**, “capable of separating from the human body to ‘pursue vengeance’ and-or ‘haunt enemies’ and-or to protect ‘beloved ones’” (cf. the *lie of karma* or *fate* and-or of *destiny manifest*)—manifest in *energetically variable frequencies*, as is our *mortal “emotive intellect”* and *“extrasensory phenomena.”* The **Sechem** or **Sekhem** is the *“life energy of the soul”* which remains present in the *“after-life after ‘judgment’ has been passed”*—and, the **Sahu**, as well, which may be deemed worthy of entrance into **Heavenly Paradise** (*“nearness to Iself”*). The **Shuyet** (“Shadow”) was also an ever-present element of a person’s Soul in that it was *attached by the Sun to the “human body” (“khat”) as the Sahu is tethered to the “human spirit” by ‘pranaic dreams’ and ‘faith.’*

Of all these *aspects of the ‘human soul,’* it is our *“Ren” (“True Name”),* as given by ‘the gods,’ which must be kept most secret from all *princes and principalities of the world (bankers, multinational CEOs, and ennobled aristocrats),* their *ha-Satan persecutorial prosecutors* and *“blue-pilled” traitors (politicians, lawyers...), wage-slave mercenaries (police, soldiers...), assassins (scientists, doctors...)*—all whom *sell their loyalty* to Church and State—a **Jesuit Vatican ‘Third Temple’ conspiracy, saying and doing as told**, and having *“no mind or voice of their own”* in being naught but *wanton slaves* to-of a **Satanic World System and doomed to destroy the world as we know it... forever poisoning the planet**

with *‘strange ideas,’ which are much worse than with nuclear waste and bio-chemical pollutants;* nor even in the *industrialist’s* relentless **Imperial War Against Nature** practiced by the *unprincipled monetary powers* of the *industrialized world* and their *technocratic ‘end-times’ regime*. Moreover, the **True Name** (“Ren”) lives on through its own *“sayings”* and *“doings”* in the *memories of the living*, especially our ‘beloved ones,’ rather than any *“strawman identity”* assigned to our *“afterbirth”* in the *civil annals of government*; yet, whereas it is honest to “render unto Caesar what is Caesar’s”... the *fiat capitalism* imposed by *the Ashcan-Nazi bankster-mafioso and their rag-headed Wahhabhist ISIL half-brothers*, now using the **Third World** as *a weapon* to *“flood” every European-based culture with subhuman immigrants bringing the slums and ghettos of their own homelands... which they destroyed and have fled—bringing nothing but the degeneracy of their doomed societies* and enabling *the decay and unnatural death of civilization* as founded by our colonial ancestors, here, in **Canada**, wherewith them *invaders be taking the plastic spoon of want from the mouths of our unborn to fatten their own brats at our expense*—we whom have been *“betrayed by our own goodness”* to allow our world through our children foster every sort of *spiritual deficiency* and *demonic disillusionment* imaginable.

Mark ye this, citizen: Only after a person (e.g., *“society,”* as we were in *Canada before the “Battle of the Plains of Abraham”*) hast truly died... their *fecundating mammalian flesh-body immured* and their *name forgotten forever from memory of the living in the physical world* can a Soul be said to have truly *“died”*—and *only the dead know of a truth* whether there be any God... **Resurrection... Afterlife...** or not: As yet, for we living folks... the **Past** is *a dying memory momentarily being forgotten in passing from now-to-thence at ‘heart’ and in ‘mind,’* so to speak... and the **Future** is but *unrealized potential revealed in the presence of the e’er-unfolding ‘change’ that is Being and Enduring.*

A Re-Interpretation of the Biblical Account of Genesis

In the beginning, there were many different *hominids* roaming upon the earth, yet none were *truly ‘human beings’* albeit all hadst evolved as *bipedal mammals*: The *“Seed of Humanity”* was born in the *genetic soil of a singular Pangean continent* that broke apart into what quick became our world, as is, so spreading and-or sharing *flora* and *fauna* across continents since the *fragmentation of Jurassic Gondwana*; hence, *for example, “isolated people”* formed in the **Amazon** apart from those on ‘other lands that were separated by oceans and seas’—still, scholarly fools (e.g., *Zecharia Sitchin, Erich von Däniken, David Icke, or Marshall Applewhite...*) attribute *human ingenuity to alien intervention* and *phenomena* as the **Nazca Lines**, **Khara-Hora Shaft underground megastructure** or the **Lena Pillars, both in Russia, etc...**:

Compare *massive constructs* as the **Incan sanctuary city of Machu Picchu** and of the *fortress of Sacsayhuaman* and-or of the *ancient city Tiwanaku* (all in the Andes Mountains), or **Aztec Cholula—a multi-cultural cosmopolis** constructed of *six pyramids* built one-atop-another (as were erected the *nine ancient cities of Ilium*), being comparable to the **Great Pyramid of Giza...** or of other *pyramids* as those at **Saqqara**, or the *pyramids on the Kola Peninsula* or any *underwater pyramids* or the so-called *pyramid of Antartica*. In fact ancient cities have existed all over the earth, as the **Mesoamerican Olmec sites of San Lorenzo and La Venta**, **Peruvian Bandurira, Aspero, and Caral-Supe** and-or the **Mayan cities of Lagunita and Tamchén**, or the *mysterious ‘column-city’ of Ocomtún*, any of the prehistoric mega-structures of Japan, temple complexes of Cambodia, such as **Koh Ker** or **Prasat Prang** or **Angkor Wat**—or **Gunung Padang**—oldest known megalithic site in the world... or fallacies as the **Lost City of Kôr** or **King’s Solomon’s Mines**).

The same theory shouldst be applied to *universal biodiversity*—as the God-damned **JASON scientists’** of **DARPA** *plausibly reverse engineer “Tesla technologies,”* whereof concerns *aliens / outer space* and-or *jinn / inner-space* (i.e. other *dimensions* and *subatomic particle variation and frequency* at CERN).

Solutrean Eden & the Lemurian Swampland

Our beginnings lay within the wombs of our **Solutrean Mothers**: Several different women form our singular-conception of *prehistoric matrilineal Eve*, which birthed *the Aryan Races* ere the *retreat of the glaciers*; these folk are remembered in *paleolithic cave art* and *ancient Mother Goddess mythology*. Mark this well: The source of *“our uniqueness”* was in *“our primogeniture”*—both *red-headed guttural Neanderthal* (Biblical Able) and *blue-eyed blond-haired glottal Cro-Magnon* (Biblical Cain). As the *glaciers retreated*, Cain wandered further abroad after the *migrating herds of auroch and mammoth*, encountering the *Siberian peoples of the Three Rivers* (q.v.) [] venturing southwards along the **Pacific Seaboard** to share the *“slant-eyed” epicanthic eye-fold* of the **Denisovans** (Asiatic) already theat intermixing genetics with **sub-Saharan Black Africans** (i.e., *the “Missing Link”*), which hadst ventured throughout the **Lemurian Coastal Swampland** as far away as the **Sentinel Islands, Australia**, and throughout the **Philippines** and **Indonesia** [] interbreeding with **South Asian Islander sailors** which used *interlaced sticks* as *“star maps”* to explore the seas as far east as **Easter Island...** and beyond.

But that there are now only *three base races*—**Aryan**, **Asiatic**, and **sub-Saharan Black African**—is resultant of *“miscegenocidal” natural selection* (as suggested by Darwin).

The Atlantic Ice-Bridge

Conversely, there was *“an ice-bridge”* betwixt **Europe** and **North America** which was commonly traversed by our **Solutrean Forbearers** akin unto how yet travel the *isolated peoples of the Arctic—as the Yupik, Inuit, Aleut, and Sápmi*, using *sleds pulled by dogs or reindeer* and-or by *animal-skin boats*, such as the *“umiak”* and-or the *“coracle”*—insomuch as a *currach* was much later used by *both Saint Brendan* (Irish) and **Madoc ab Owain Gwynedd** (Welsh) in their adventures of exploration and discovery. These **Solutrean folk** were *the first White people to permanently inhabit the Americas* which brought with them the **Clovis Point flint-knapping technology—millennia before the Phoenician “Kena’ani”... and centuries before Sea King Leif Erikson and those other “greywacke” Norsemen—**whom wast much later learned of by the **Mormon prophet Joseph Smith**, him attributing the *stone tools* to the *dark-skinned Lamanite peoples—although he could just as easily have misinterpreted evidence of Phoenician explorations as far as the Gulf of Mexico brought thereto along the North Equatorial Current—the evidence thereof destroyed by the Jesuits and Conquistadors.*

The Bering Strait Land-Bridge

Meanwhile, the **Bering Strait Land-Bridge** had been long used by *hunter-gathers following animal migrations* until such a time as the *ice-sheets retreated* so as to trap people until the **Continental Divide** opened the **Laurentide Ice Sheet** accommodating the peopling of North America...

The Atlantean Land-Bridge

The **Atlantean Land-Bridge** connected **North Africa** to the **Italian Boot**—as the **Mediterranean Sea** did not yet exist until the *glaciers melted* and *ocean levels rose*, washing away the **Lemurian coastal swamplands**, and flooding over the **Straits of Gibraltar** to drown the *landbridge* which hadst long been used to facilitate the *“Out-of-Africa” dispersion of peoples... founding the Aryan Races* at a time whence *the sub-Saharan Black Africans were yet dragging their knuckles... and Asiatics still lived in caves and-or the branches of trees, existing in paleolithic savagery well into the 20th century...*

The Wandering Land of Nod

Whereof **Cain** was cast away into the **Wandering Lad of Nod** (to the east of **Solutrean Eden** viz. *the Vézère Valley*) after “he so sleweth **Abel**” at the **Cave City of Jericho** hath much to do with the *“agricultural collapse,”* and practice of *“human sacrifice”* in opposition to *religious communities*, as **Gobeil-Tepe** and **Çatalhöyük**. It was also integral to the emergence of the **Bronze Age Civilization**—as being synonymous to *“The Deluge”* in accordance to the *dispersal of the tribes* of **Biblical Seth** (H. sapiens) by all *‘four’ of Biblical Noah’s pale-skinned blond-haired, blue-eyed sons* (q.v.).

The Inheritance of the Aryan Sons of Noah Uta-napishti

The post-Deluge inheritance of **Japheth** was whereat the **Indus River** is: This realm is known as **Harappa**, and one of its five important cities was **Mohenjo-Daro**. It were the dark-skinned, black-eyed slant-eyed *Asiatics* and kinky-haired, fat-lipped big-ass *Negroids* of the **Brahmin ‘beastmen’ sub-human races** which invaded and overwhelmed and devastated this civilization—and, later, being called **Abram**, these *“skit-shin” devils* next ruined the **Tigris-Euphrates River Valley** inheritance of **Shem**—and that these are today referred to as *Indo-Aryan* is only because of the *language* they stole and *genetics they inherited through the rape of the enslaved race—hence we are blessed with the “blue-eyed Yazidi.”* The inheritance of **Cham** was the **Nile River** unto its source in equatorial **Africa** (**Ethiopia / Uganda**)—at this time *all of northern Africa was yet occupied by pale-skinned White peoples (and the Lybian and Ethiopian godlings of Greek legend were Aryan... not Black African folk).* The inheritance of **Cessair** daughter of **Birren** and **Bith** son of **Noah** was the lands of the west, which were being revealed as the *glacial ice retreated—a story told in the Glefisa of the Ancients* (q.v.).

That **Cham** was *raped on the Ark by his father, Noah*, hath everything to do with the **Land of Egypt**, known as **Mizraim**, and **Retjenu**—*“Land Between of Promise,”* now populated by *dark-skinned Asiatics* and *sub-Saharan Black Africans* hath everything to do with the **Hyksos Conquest** of the realm by **Abraham / Amenemhat / Sesostris**—and their forceful imposition of the *phallic moon-god* upon the **Sun Children** of the **Honey Queens** and **Scorpion Kings**, whom were *the last of those prehistoric folk.*

More-so, it is important to remember and never forget *that* the **Terrorist State of Israel** and **Yiddish-speaking AshkeNazi Zionists** are exactly as said by our Lord Christ: **Jesus** at **John 8:8** and **Revelations 3:9**.

This was about whence *recorded history* emerged from *primal dance* and the *oration of legends* took the form of the **Bible Story** as we know it today—*ancient cuneiform* and *hieroglyph* purposely “*erroneously codified*” by the Pharisaic Hebrews during the Babylonian Captivity as the Talmud and the Torah, given us *goyim* in the form of the Old Testament... and forced upon our pagan ancestors by Constantine the Great and HRE Charlemagne whereof the God-damned “Papal” Jews determined them be the *self-declared* “Chosen People” (“Master Race”) and set about to *enslave the world*... giving us the concept of a Dual God of Good and Evil based upon *heathen Orientalism* (Zoastarianism, Vedism, Buddhism...), “*sacred geometry*,” *gematria*, *astrology*, *alchemy*, and *modern psychiatry*—all *deviant of truth* and intended to *distract*, *mystify*, and *enslave gullible minds* to *superstitious lies* intended to disposes us folk of the *ancestral inheritance of our God-given freedom... forever...*

The Dead Prince Tutmose V (Biblical Moses) was neither a Hebrew nor a Jew

As with *humanity inventing flint-knapping* and *related fire-making technologies* bringing *an end to the Savage Era of Polished Stone* [] the Bronze Age Collapse was completed in the Hebrew Conquest of 18th Dynasty Egypt, during the Ramessesid Era—and also with the subsequent “*final*” Fall of Ilium (Troy)—... as *a great movement of peoples* viz. the People of the Sea marked the end of the “hunter-gatherer” Lithonic Age of Agrarian Freedom.

The Myth of Hebrew Moses is a perversion of True History invented by the Talmudic Pharisees to exalt those *vile desert ramblers* over the 18th Egyptian Tutmosid Dynasty, which is erroneous recollected today as the Rabbinical Exodus (Pesach) Passover celebration of *Conquest of the Ramessid puppet-state*, having mere *nominal sovereignty* and *de jure independence*... but *de facto dependence* on the *mercantile Asiatic terror-state* of the detestable Hequa-khasut “*sand ramblers*” infesting the “Black Land” of “Kemet” (in the *Nile Delta region*).

The Pharaoh of the Dead Prince Tutmose V (Biblical Moses) was not one pharaoh but three: The first, the Wise Old Pharaoh Amenhotpe III was the father of the Armana pharaoh Akhenaton ^{LHP} and Nefernefertiti Nefernefruten ^{LHP} *aka* Miriam the Chantress, called Zelophehad, whom hadst no male offspring but was survived by *five daughters* after being *murdered by the Hebraic Levrite priesthood* in the Wandering Wilderness as the Asclepiusian Nehushtan (“*bronze serpent*”). Moses hadst married Meketaten *daughter of Nefertiti and Akhenaton*, whom **died at a very young age**—in fact, *murdered* by the Hyksoid Amun Priesthood viz. the Levrite Priesthood of Min—which led to the *banishment of Moses* into the “Red Land” (of Sinai), whereof he married one of the *shepherdess daughters* of Jethro Reuel, the *priest of Midian*, before returning to Egypt, then *ruled in proxy* by Pharaoh Ramesses II the Great*—the third of the pharaohs of Biblical Moses.

The Rabbinical Lies concerning the Biblical Exodus were perverted by the Levrite Priesthood during the Babylonian Captivity, whereof the *wickedness* of the Israelites (Jews) induced Babylonian King Nebuchadnezzar II to conquer them and captivate them for seventy years, them only being freed from captivity by Achaemenid King Cyrus the Great, which the Levrite Priesthood facilitated his rise into power, but were *exiled* because of their *wickedness* thereat, thence—very similar to what they didst prior in *Egypt*, *Sumeria*, and *Harappa*—and exactly what they are doing forthwith here-and-now everywhere across the world in accordance to *a devilish prehistoric design* wherewith *us foolish folk* haply yoked us ourselves and all our generations under *constant threat of destruction* due to their *villainous* Samson Option *agenda* (wherewith they will either rule all or destroy all).

Flavian Invention of Halakhic Christianity

biblesearchers.com

At the time of our Lord Christ Jesus (*Yahshua Ha Maschiach*)—*the Zadokian High Priest*, last of the *Hasmonean family of the Maccabean priesthood* hadst its power removed by the *Claudian family of Imperial Rome* and instilled in the first of the *non-Jewish Herod family of Idumea*: King Herod the Great, whose sons were educated in *Rome along with evil Emperor Caligula*. The Great Ones of the Rabbanim and the Sanhedrin of Jerusalem, which held power over the people, revolted [] until after the *tragedy* of the Seige of Masada—a *mountain-top fortress complex constructed for Herod the Great*, whereof the *sole survivor of a Jewish cult ‘suicide pact,’* Josephus Flavius, was taken to Rome and made to pervert the *Good News of the Gospels*... and, in so doing, made the “secret of understanding the *Essene ‘pesher technique’ of scripture interpretation* disappear for two thousand years...”

King Arthur and the Spear of Destiny

Merlin taught the *pagan* King Arthur the *secret forging technique* of *mixing tin with bronze* and inventing “steel,” which is exactly how he ‘pulled’ the *magical sword* from the *stone*... the *alchemical knowledge of this science* was found in the Cornwall “tin mines” of Joseph of Arimathea, whom secretly bore the Resurrected Christ Jesus the Man *bastard son of Roman centurion Pantera ben Stada by rape of his mother, the Virgin Mary, in the ‘pesher role’ of ‘Gabriel’* [] and *pregnant Magdalena* bore him Tamar *daughter of her womb* in France—her mothering the “*long-haired*” Merovingian Kings. Also with them was Saint Longinus, the *Roman Centurion* who hadst *stabbed the crucified Christ with his spear* so as to have all his “*blindness washed away*” whence the Holy Blood mixed with Water *sprinkled his eyes to wash away his blindness*... and he brought with him that Blessed Lance... *the very spear discovered by the gallant Chylde Perceval* inside the *ominous castle* of the Wounded Fisher King, during his Quest for Sangréal—the Holy Grail—the Sacred Chalice which caught the Blood of our Lord...

Possession of these *relics* was instrumental to the Occult Third Reich, which were funding “*classified*” *SS explorations* to places like Tibet, leading to their “conception of the Space Age” and “creation of secret bases under Antarctic ice” [] and, in *the Yaltan interest of Destruction Sciences*, “reverse engineering” and “nuclear fusion” proved integral in *Allied negations* with Martin Bormann to secure *an OSS-facilitated escape of-for Führer Adolf Hitler*... him being spirited away in a U-boat that first went to Norway and took on board the “Hard Water” manufactured there, before continuing on Vatican “Rat-Lines” to *fascist Spain*... and thence on to Argentina-Paraguay: *He and Eva are survived by two daughters...*

“Blood and Guts” 4-Star General George Smith Patton was the last known possessor of the Spear of Destiny... and he died under *mysterious circumstances*.

Those same U-Boats, once surrendered to the Allies, served to facilitate Operation Paperclip, being used to transport *senior officials* (“war criminals”) and *classified documentation and technology* via Papal “Rat-Lines” into the Americas, including the Surgeon General Shirō Ishii (Unit 731) and Auschwitz “SS Angel of Death” Josef Mengele, whose *inhuman human research* was haply digested by the Allies and, like the *Norwegian ‘hard water’* used in *creation of the Atomic Bombs dropped on Hiroshima and Nagasaki*; other research has been incorporated by the JASON scientists and DARPA.

What is Prayer...!?

The Freudian THX 1138 Lie of 404 Psychiatry forced upon us by the *unholy* Synagogue of Satan—fully established in *both* the Palestinian and Babylonian Talmuds and *divers prophesies*, such as in Scripture and-or as with the Aztec Calendar Stone... it is obvious to *erudite minds* that this “Kali

Yuga” is the End-Time... as with the Duality of God and *invention* of Sin and Eternal Punishment in Hell: It is best to live for this life as our only existence, and do not hope or pray for redemption and salvation... as *the rich have never cared about us poor folks*... and the *sociopathic psychopomps* revel in the *demonic* and *openly worship the devil*... under tutelage of their False Messiahs Sabbatai Zevi and Jacob Frank... their modern prophet Rothschild, the Jesuit Papal Third Temple of Jerusalem (after Rome and Babylon), and the Parasitic House of Windsor, Aristocrazia Nera, the Kalergian Fourth Reich, and the *international Ashkenazi bankster mafioso*, and a *militarized pharmaceutical Dark Shadow government*... and *its reptilian-brain Brutal Despotism* and Anti-Human Atrocity.

Submission to Islam and the Judaic House of Al-Saud (Saudi Arabia)

In reality, the Arabian Peninsula has been occupied since the last 200 plus years *by a grand orthodox Jewish alliance* in the garb of Jesuit Papal Islam (i.e., submission to a “*human-farmer*” State).

Saudi Arabia was found by a *Jewish cereal merchant*, called Mordakhai bin Ibrahim bin Moshe—and the *ancestral lineage* of the Luciferean House of Al-Saud (Saudi Arabia) goes back to the 7th century Arabian Jewish tribe of Banu Qunaiqa.

The 18th century founder of the Wahabi sect, Muhammed ibn Abd Al Wahhab, was a *Turkish Jew* belonging to the *Dönmeh community* who collaborated with and Muhammed Ibn Saud, *emir of Dar’iya*, and *secular dictator* Mostafa Kemal Ataturk (a Dönmeh) to secularize Turkey and allow him to spread his *fanatical anti-Qur’anic values* in the name of “Islam,” so as “*to sow the seeds of terror in the hearts of people throughout the civilized world,*” beginning with the Armenian Genocide—and continuing to spread *Judaic terror* through the Bolshevik Revolution, Stalin’s Holodomor “Starvation Genocide,” Kaganovich and Yagoda, and successive *Red Guard revolutionary movements throughout Asia*... and culminating in the “bloodless genocide” of all European folk by a *Judeo-Jesuit Synagogue of Satan in a calculated genocidical erasure of our Aryan heritage and Christianity*... by “flooding” the world with a ‘*deluge*’ of *ignorant subhuman immigrant Third World replacement population*...

Using 2010 as the base reference, the Sub-Saharan Black Africans will expand almost 133% to 2.7 billion by 2060. By the middle of this century Blacks will represent 25.38% of world population, which is up dramatically from 8.97% recorded in 1950. The 21st century is shaping up to be the status reversal of Whites and Blacks... and the Punjabi Indian baby boom. The Whites will assume a single-digit minority role! Of the seven population groups studied only Whites are projected to sustain an absolute decline in population growth. In 1950 Whites and Blacks were respectively 27.98% and 8.97% of world population... by 2060 these figures will almost reverse as Blacks surge to 25.38% and Whites shrink to 9.76% of world population. From 2010 the White population will decline while Blacks will add 1.2 billion to their numbers. In this time frame the Indian subcontinent will gain 1.2 billion people. These subhuman groups and their governments will be looking for "living room" in Europe and especially in North America. With the diminishing presence of Whites in counties like Canada, the United States, New Zealand and Russia, their governments - as they already are - will be pressured by groups like the Communistic European Union into accepting more-and-more refugees as replacement populations.

Sure, eh! You hosers will quick soon become made be aware of “what prayer is...”

Closing Statement

Therefore, O ye Faithfull Folk let us one-and-all pray remembers *the indigenous tribes of the Amazon rainforests*, such as the Yanomamö, especially thaim living in “voluntary isolation” apart from the world, as the Sentinelese of the *Andaman and Nicobar archipelago*...—yea, so too those *primitive peoples of Oceania*, most especially the “Stone Age” Tsaday; forget ye not, those *other native peoples of the Pacific*, as the Ainu of *northern Japan*, and *also* the *reindeer-herders* of Siberia; the First Nations of Canada’s Far North, *as well, i.e.,* the Nuu-chah-nulth (Nootka), and Chinookan and Salish peoples—as well as the Sápmi and other *circumpolar indigenous peoples*.

“God ‘bless these,’ Yine children, and keep them safe.”

We, Yine faith-filled pray Ye Bless these *isolated ethnös*—and, sure, eh! Us fully believe *that* these indigenous folk will Grace Be be *survivors of the End-Times Destruction from which there is to be no escape for either you or me...*

According to the Jewish Job / Islamic Ayüb-um perversion of the “Legend of Keret”; us, in believing in “*a dualist god*,” believe all that is in the world is given over to Iblis / Satan and its *demonic ha-Shaitan* and Jinn... as within the on-going Revolt of the Angels: in assurance of a “*stab out of Hell*” by the Synagogue of Satan viz. the *Damoclean dagger of the devil’s “Samson Option”* (and the certain response by North Korea).

I believe *that Satan’s Triumph* will be exactly as expected and precisely as celebrated by *the completely insane and totally deranged rich and powerful Aristocrazia Nera ruling class*, which is to say that “the *technocratic world will be devastated* in a Global Thermonuclear War and result in *a bio-chemical world-wide wasteland* with the *dying vestiges of the earth* [] its remaining *flora and fauna* now *forever poisoned, irradiated, and genetically mutated*—and the *few remaining humanoids* (‘devoid of humanity,’) *decay into post-apocalyptic degeneracy... forgotten* by the very same God *we sacrificed* upon the Alter of Moloch the “moon-eyed” Golden Calf in service of the *crucified false dying-and-rising god—the Goat of Mendes celebrated festivities* amidst *gay May-day twin Asherah poles* (q.v.).

The Reptilian Elite and their *mercenary wage-slaves* will remove them *all* at their time away from within the *hidden cities* they’ve *evacuated beneath mountains*, as at Mount Shasta and-or within the Godard Tunnel, being *secretly constructed* since the Era of the Third Reich—as *reverse engineering* at Antarctica... continued on through the Freemasonic 2nd 30 Years’ War into the era of the Cold War Space Race and on into the present Draconian Age of JASON DARPA Technology (and subsequent *enslavement of the poor* and of the *Third World genocide imposed on our descendants now for ever...*).

Sure, eh! The fascist’s Rainbow Savagery will most definitely be tolerated to run *amok* for awhile longer... as the *comfortable rich piggies* continue to *sicken society* with their sociopathic greed—*a monstrous Grendel* and our *Collective Consciousness* dies under the *Nosferatuan ‘iron-fisted velvet glove’ imposition of the ‘Cosmopolitan Lie’*—and *our progeny* will continue to *suffer and die enslaved* until the sad time whence we mooks quick become *too openly persecuted as a visible minority* and, more-so, *our homelands ‘idiosyncratically’ are irreversibly deluded* with Satan’s Islamic Nations and *every sort of jungle-born-and-bred sub-human brute*... now overwhelming the *pinko-faggot ‘wage-slave’ minority* [] imposing a *one-world gulag slum for the poor, rampant with violence, disease and destruction, and pain and death at every level of society affecting everyone yet alive!*

We’ve suffered too long now... and there will be no end to our humiliation... so “die well, hosers!”

We have but one life to live—and, though born a slave, our ancestors were free—and they cry to us from their forgotten graves: “Children! Why will you naught hearken to the Song of our Ancestral Blood ...?”

There is no future...

One man and one woman do not create such a diversity of species; nor were “Adam and Eve” the founders of all races...

Atlantis	Lemuria & Mu
Adam (Askr) and Eve (Embla) may be said to correspond in part to mythological Geb and Nut, and, in part, to Osiris and Isis (Semiramis); additionally, the <i>three male sons of Adam and Eve</i> —Cain (Cro-Magnon), Abel (Neanderthal), and Seth (H. Sapiens) may-or-may not correspond to the <i>three male sons of Geb and Nut</i> : Osiris, Seth, and Horus (<i>Krishna Christ</i>). Notwithstanding, there furthermore be no relation betwixt the three sons of Noah and Naamah: Japheth, Shem, and Ham (Cham) as the <i>three base-races of humanity</i> : Caucasoid (Aryan), Mongoloid, and Negroid. See Acts 17:26.	Prior to the Deluge the Indian Ocean was also much lower than it is now... and was crossed over by Homo ergaster (i.e., the <i>sub-race of Black Africans</i>) from <i>Western Africa to India and China and Australia</i> , which <i>mixed with the Denisovan genetic code</i> giving rise to the <i>different Asiatic peoples</i> all the way up to and across the Bering Sea Land Bridge... which, only much later, were permitted further expansion southward along the <i>Pacific Coastland of the Americas</i> after the opening of the Continental Divide, <i>which is an invisible line that separates the major watersheds flowing into different oceans, “dividing” the continent into west (Pacific) and east (Arctic Ocean: Beaufort Sea, Hudson’s Bay, and Labrador Sea; Atlantic Ocean, and Gulf of Mexico... of which are the Mississippi River and St-Lawrence River Valley and Great Lakes).</i>
Albeit I may have once purported that the three base-races of humanity: <i>Caucasoid (Aryan), Mongoloid, and Negroid</i> were related to Japheth, Shem, and Ham (Cham)—this be erroneous insomuch as <i>the Caucasoid (Aryan) hominid involves a cross-breeding of Cro-Magnon folk with Neanderthal...</i> which took place in <i>south-western Europe</i> prior to the <i>melting of the northern glaciations</i> (which wrought <i>the Deluge</i>). As the <i>rising oceanic waters</i> spilled over the Straits of Gibraltar—whereof the Mediterranean Sea now is being thusly so created in the <i>flooding</i> of the Atlantean Basin unto the Nile Delta, whence-so was created the Dead Sea of Salt in the Levant: (Prior to this there was an “Atlantean” land-bridge connecting Northern Africa to south-eastern Europe at the boot of Italy and Greece... and the rest of that lowlands was a <i>swampland</i> full of hippopotamus (Behemoth) and crocodiles (Leviathan).	This is not to say that all <i>First Nations peoples</i> are descended from this <i>Euro-Asian sub-race</i> , though, for the <i>Solutrean branch of the Caucasoid base-race</i> hadst crossed the <i>Atlantic ice-bridge</i> , bringing the Clovis-point flint-knapping technology with them before the <i>melting glaciers and rising oceans</i> cut off all further expansion. Other <i>First Nation peoples</i> evolved separately in the Amazon River basin and expanded into the Andes Mountains (i.e., <i>Olmecls</i>). Moreover, the brave <i>sea-faring South Asian peoples</i> crossed o’er the <i>southern equatorial current</i> of the Atlantic Ocean to Easter Island (and Chili) (much the same way as Thor Heyerdahl’s Kon-Tiki expedition did in 1947).
The flooding (i.e., “sinking”) of this <i>Atlantean land-bridge</i> put an end to the “Out of Africa” migration of the <i>Caucasoid base-race of North Africa and southwestern Europe</i> viz. the Lascaux cave culture, southeastern Europe and of the Fertile Crescent of the Levant and the Chaldees. That the <i>origin of the Hyperborean races</i> spake an <i>Indo-European language</i> hath naught to do with the genocidical <i>Oriental Brahmaic Indian peoples</i> (i.e., subhuman ‘Punjab beastmen,’ which wrought wiped out the <i>Aryan realm of Harappan Mohenjo-Daro</i> —as found by <i>Caucasoid folk</i> long before they were driven out by these <i>Indo-Asiatic Mongoloid races</i> (a Homo erectus and Denisovan mixture): (The epicanthic eye-fold is a <i>Neanderthaloid</i> trait shared throughout the <i>Pacific</i> and into the <i>Siberian-Arctic territories</i>).	Further, twas only a few millennia ago that Phoenicians traversed the <i>Canary and Guinea currents</i> to follow the <i>South Atlantic equatorial current</i> to the land of the Mayans, whose <i>peoples shouldst not be confused with the Lamanites</i> (most likely a misinterpretation of Mandan hieroglyphics by Joseph Smith).
	Hyperborean Thule
	<u>No! Ham (Cham) was not a sub-Saharan Black African</u> ... his name refers to his <i>dark hair and brown eyes</i> ... whereas Seth, whom also hadst <i>darker hair and eye colour</i> , was of a <i>lighter complexion</i> than his “ <i>cursed</i> ” brother. But it was Japheth who was <i>predominantly light-skinned</i> , having <i>reddish-blond hair and blue-green eyes</i> , like the <i>Ancient Egyptian pharaohs</i> , which are identified as the Nordic-Aryan races of Hyperborean Thule.
